# TO THE INDEPENDENTS ELECTORS OF QUEBEC.

THE Friends of Mr. LEE earnestly request the attendance of the Electors of the County of Quebec, to come forward early to-morrow morning, to give their vote in his favor, altho' the Majority at present is in favor of Mr. M'Callum; 41.—This is so trifling that notwithstanding the most unaccountable intrigue which is carried on, Mr. LEE's friends doubt not the day will be carried in his favor, and do expect that exertions from the respectable part of the society that they will immediately come forward to support the cause and particularly those who have subscribed to the establishment of a Turnpike Road, which appears to be the sole bar to Mr. LEE's progress.
